THEATRE
SCARBOROUGH

NORTH YORKSHIRE COAST
OPPORTUNITY AREA

You can start your story in lots of ways – with a description of your characters or setting, with action – right in the middle of the conflict or even with dialogue by letting us hear your characters speak.

How do you think you will start your story? You can use the starter questions from the Story Creation worksheet to help you. Send us your ideas: they could be written down, drawn or recorded as a quick acted-out piece or a series of freeze-frames.
