SCARBOROUGH

NORTH YORKSHIRE COAST
OPPORTUNITY AREA

What happens in your story? What conflicts do your characters face and how do they try to solve the problem? Maybe you could try the Fortunately/Unfortunately game again to try out lots of idea about what could go wrong! You could use the story mountain and comic strip worksheets to help you plan your ideas. You could make a script from the speech bubbles on your comic strip. Show us your ideas in a picture of your work.
