

# STORY GAME

This story game provides a fun way for children to explore **Brown Bear, Brown Bear, What Do You See?** by **Bill Martin, Jr.** In order to play children need to be familiar with the book and have heard the story a few times.

## Before you play

Everything you need to create the game is included in this pack. Print out the templates for the **game board**, **bingo board**, **question** and **bingo cards**, **spinning dice** and **counters**. Once you have cut these out and laminated them, you are ready to play.

## How to play

1. Place the game board in the middle of the group of players along with a pile of question cards and a pile of bingo cards.
2. Each player needs a bingo board and a counter.
3. Players take turns to spin the dice and move around the game board.
4. When a player lands on a space square, he or she picks up a question card. If the player answers correctly, he or she takes a bingo card and places it on their bingo board. If the player answers incorrectly, he or she does not receive a bingo card and play moves on to the next player.
5. When a player lands on a 'free bingo card' space then he or she can take a bingo card without answering a question.
6. The first player to complete their bingo board and shout out 'bingo' is the winner.
