**Congratulations, you have
completed Chitty Chitty Bang
Bang's Magical Reading Tour!**

Now the sky is the limit...

Notes for Grown-Ups

To complete their magical reading tour, your child must fuel Chitty Chitty Bang Bang's engine by spending time reading, 10 hours in total.

Each time your child completes two hours of reading please verify that the reading has taken place by leaving your initials or a tick in the space provided.

They can read whatever they like to complete the challenge and can choose to read independently or with you - we hope you enjoy the opportunity to share stories together.
