

DO YOU HAVE WHAT IT TAKES TO PRODUCE A TOP CLASS WWE SUPERSTAR OR DIVA?

You are the manager of an up and coming sports entertainer, and it is your job to transform them into a high profile WWE Superstar or Diva. But how will you help them make this transformation?

There are FIVE important tasks you need to complete

NAME:

CLASS:

STEP 1: THE CHARACTER

Before you do anything else, you need to decide on who your Superstar or Diva is:

CHOOSE THEIR NAME – are you going to stick with a regular name like John Cena, or would you prefer your Superstar or Diva to have a stage name like The Big Show?

DESIGN THEIR COSTUME – your Superstar or Diva needs an eye-catching outfit, like Dolph Ziggler's, that represents their personality and shows what they are all about. Design their outfit for the ring, draw a picture of it and write a paragraph or labels explaining the different features. Read our special biographies of existing Superstars and Divas to give you inspiration.

STEP 2: THE BIG ENTRANCE

All the top Superstars and Divas command attention as they make their way into the ring – they know how to make an entrance! Choreograph your Superstar's or Diva's entrance to the ring and then write instructions for them so that they know what to do.

Read the fun example instructions provided to give you an idea of the structure and language to use.

STEP 3:

THE STORYLINE - OUTSIDE THE RING

Every budding WWE Superstar or Diva needs an exciting storyline to launch them as a contender for a Championship Title. Write a storyline for your Superstar or Diva that will set them up to power onto the world stage. Think about their background and their relationship with other Superstars and Divas – just like when a new Eastenders character arrives on Albert Square!

STEP 4: THE "PROMO"

There is only one week to go until your Superstar's or Diva's first big show-down, so you need to create a buzz around them to tell the world that they have arrived.

Write and perform a short promo, persuading your audience to support your Superstar or Diva. You could get someone to film you or just perform it in front of the class or your reading group.

STEP 5: THE TAG TEAM PARTNER

Your WWE Superstar or Diva has been booked in a tag-team match at WrestleMania, and so they need to have a reliable tag team partner. Think about the qualities a good partner would have and write a job advert for the role.

Read the example job adverts provided to help you with the structure of your writing – and you can borrow words and phrases you like too.
