# Magic Animal Friends

## Notes for grown-ups

To complete the adventure, your child must read their way around Friendship Forest. For every 10 minutes they spend reading they will move on a step closer to the finish – 10 hours in total! Use *Magic Animal Friends: Lucy Longwhiskers Gets Lost* to start your reading adventure. After this you can use any reading material to continue your reading journey.

There are seven different locations to visit, when your child has reached a new location please verify that the reading has taken place by leaving your initials (or a tick or a sticker) in the space provided.

They can read independently or with you – we hope you enjoy this opportunity to share stories together.

If your child enjoyed the Spring Reading Adventure you can use the voucher below to buy another Magic Animal Friends book half price in your local WHSmith.
