OPPORTUNITY AREA

**How do your characters act together?
Are they friends, enemies, siblings,
rivals? Draw or create both of them
and come up with a bank of words to
describe their relationship.**

**Send us recordings of you acting out
their relationship with someone from
your house. Or you could take some
pictures of you acting out some
freeze-frames that show how your
characters act together, then add on
some words to describe their
relationship.**
