

# Alphabet trail

**Look carefully at the pictures below—what letters can you see? If you look closely enough, you can find letters of the alphabet hidden in everyday objects, nature, and even buildings! Search outside, in your garden, or around your home and take pictures to create your very own alphabet.**

**Leaves of a  
plant**

**Sunglasses**

**Handle of a  
mug**

**Shoelaces on a  
pair of trainers**

**Pattern on a  
tea towel**

**Pipes**

**Bonus activity: Find letters to spell your name – if your name has two of the same letters, try and find different objects for each one.**
