Grass is green. Can you think of anything else that's green?

You would usually cross a river in a boat,  
why not sing this song together?  
*Row, row, row your boat, Gently down the stream.  
Merrily merrily, merrily, merrily, Life is but a dream.*

Mud is always messy and dirty. What clothes are best suited to going somewhere muddy?

What animal noises might you hear in a forest?

Do you remember the last time it snowed near you?  
What activities did you play in the snow?

Can you think of any dark places in your house?

Not all bears are scary! Can you think of any other bears from books you've read?
