

**Bee
in the
City**

Bee a Reader Challenge

As the **Bee in the City** trail brings a buzz to Manchester this summer, the **Read Manchester** campaign is encouraging residents young and old to **Bee a Reader!**

Reading for just 10 minutes a day is enough to make a difference – it can help you relax, escape and learn.

Families can take on the **Bee a Reader Challenge** to enjoy the benefits of reading this summer and beyond! Share your challenge moments with us on social media **#ReadMCR**

Every child that completes the challenge can claim a free book at their local library. The challenge runs from **2 July - 8 September**. Head to **readmanchester.org.uk** to find out more.

**Turn over to take
on the challenge!**

Bee a Reader Challenge

Visit your local library to join the Summer Reading Challenge
