## Spend time with stories this festive season

Make the most of family time this Christmas  
with these literacy-boosting, fun activities.

## **Sing carols and festive songs**

Get in the festive spirit by singing cheerful Christmas songs together.

## Bake a Christmas cake

Find your ingredients and get creative in the kitchen with a tasty, festive bake! Following a recipe is a great way to improve your child's reading skills.

## Write a letter to Santa

Your little ones can improve their writing skills with a letter to Santa letting him know what they want to find under the tree.

## Share season's greetings

Encourage your child to send Christmas cards to their school friends, teachers and family members. Repeating the same festive message again and again will help them learn.

## Snuggle up with a story

Escape the cold weather and indulge in a Christmas-themed book at your nearest library. Just ten minutes is enough to de-stress and improve your child's learning.
