Dear parents and carers,

Great news! Your child now has access to over 100 texts to read online. You can access them on any device connected to the internet. The system allows them to 'borrow' a book, which they can read at home and at school.

Follow this simple guide to access the e-library.

STEP ONE:

Go to www.vlebooks.com/vleweb?ID=NLT

You will come to a page like this:

Just Arrived

STEP TWO:

Log in with the username provided by your child's school. To begin with, the password will be the same as the username.

STEP THREE:

Allow your child to browse the books and select one that you feel is suitable. To select it, click 'Full Details' below the image of the book. Just like in a normal library, if someone else has borrowed the item, your child may need to wait for this one and in the meanwhile choose another story to enjoy.

STEP FOUR:

Select 'Read Online'. Depending on the book, you may be asked to choose how many days you would like the book for (between 7 and 14 days), then select the green button to begin reading the book. For some titles, you will skip this step and go straight to the book.

STEP FIVE:

You can move through the book using the arrows at the top, the slider at the bottom, or the chapters on the side.

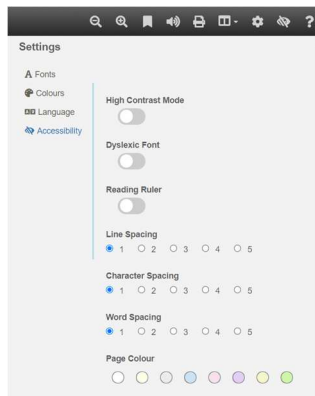

Your book is automatically returned on the date it's due back, so you will never incur fines or late fees for books when using this e-reader system.

TOP TIPS:

The bar at the top of the page allows you to change settings!

This icon will take you to a menu where you can change the size, spacing and font (including a dyslexia-friendly font) and change the page colour. You can also add a reading ruler.

This icon reads the story aloud to your child.

The cog icon takes you to the library settings. To translate the story, select 'Language' from the sidebar and click the 'Enable language translation' toggle switch (it will turn blue). Now, you can translate the book into a range of different languages. To do this, select a language from the drop-down list which has appeared below and click 'Apply'. Now you can enjoy your story in a different language!

We hope you enjoy all of these wonderful titles – we'll be adding more throughout the summer term, so keep an eye out! Here are some of our top picks!
