

Make a book cover

Imagine a story about your life: it could be about your pet cat, your Nan or your favourite food! What would the front cover look like?

1. Create a **book title**. Be as imaginative as you like! Eg. Flight of the Space Pizzas
2. What kind of story is it- funny, happy, spooky or magical?
What **cover image** will you draw to show this? What **colours** will you use to show this?
3. Make sure you include the name of the **author** (you).
