

Monster Mornings

Step One

Create as many marvellous monsters, machines or creatures as you can from the shapes below by drawing onto and around them. Remember, it's okay to be messy!

Step Two

Choose your favourite character and answer the following questions about them.

What are they?

(A scorpion? A dinosaur? A shoe?)

What are they scared of?

What is their dream?

What is their favourite thing to do?

What is their least favourite thing to do?

What is their name?

Step Three

Using your answers from page two, you are going to write a LIST POEM about your character.

What is a list poem?

A list poem is a poem formed of a list of facts. They often use repetition and have the same beginning to each line. They sometimes rhyme.

For example:

Sammy is a scorpion, stinger in her tail
Sammy lives hidden beneath dark rocks
Sammy hates the sun and the snow and the rain
Sammy hides in shoes, Sammy hides in socks

Write your poem here. Go onto another page if you need to!
