Haverhill Cinderella Trail 2022

Find Cinderella's shoes in the windows of the shops listed on the map. Once you've found them, see if you can spot the letter of the alphabet nearby. Can you think of any words from Cinderella's tale that start with that letter? We've given a few hints on the back if you need help. Write the word you think of next to the shop name.

If you collect more than 10 words, hand this sheet into Haverhill Library or Haverhill Arts Centre to win a chocolate treat AND be entered into a prize draw*.

Haverhill Cinderella Trail 2022

Running throughout December

How did Cinderella get ready for the royal ball? Do you know this part of the tale? She got some help from her Fairy Godmother, who turned everyday objects into all the things Cinderella needed.

Firstly, the Fairy Godmother touched a pumpkin with her wand and it became a golden carriage to ride in. Then she sent Cinderella to search for six mice. As her wand tickled their ears, the mice turned into six grey horses. Next, a scruffy rat was transformed into the carriage driver. Six lizards were spotted behind the watering can and soon became six footmen.

Sadly, Cinderella was wearing a dress of rags and wooden clogs on her feet. "This won't do!" the Fairy Godmother sighed as she waved her wand. A tiara appeared on Cinderella's silky hair and a sparkling necklace on her neck. Her rags turned into a silver ball gown, covered with jewels. And finally, she got the prettiest shoes in the whole world: two glass slippers.

With her invitation in hand, she was warned that she must be home by midnight.

"If you stay one moment longer," the Fairy Godmother explained. "Your carriage will be a pumpkin again, your horses will become mice and all that has been created will be as it was before."

Cinderella promised her Fairy Godmother to be home before midnight and then left the village to attend the ball at the King's palace.
