

SMART

By Kim Slater

At the Nottingham Emmanuel School and the Farnborough Academy, we love reading and sharing books as a community. When you join us in Year 7, you will be reading SMART, a book written by Kim Slater.

This amazing book is set in in the Meadows in Nottingham so there will be lots of places that you recognise!

In order to prepare to come to secondary school in September, we would like you to try as many of the following activities as you can and bring them in to show us. All of the activities relate to the book but don't worry, you don't need to have read it at this stage, we will be doing that together in September.

We can't wait to see how many tasks you have done!

Task 1: What does the title mean?

SMART

Definition:

What does the word 'smart' mean?

You can use a dictionary or an online dictionary (using google) to help you.

Connotations:

What does the word 'smart' make you think about?

Can you think of other words that mean 'smart' (synonyms)?

Examples:

Who do you think is 'smart' and why?

What it's not:

If someone isn't 'smart', how would you describe them? How many words can you think of?
