

## QUESTION THE SOURCE

- Who reported the story? Are they a real journalist or a news organisation you've heard of?
- How do they describe themselves? 
- Does the web page look professional?
- Does the website address look normal? 
- Is the writing formal with correct spellings and punctuation? 
- Is there a real photo of the story with a caption and a credit? 
- What other stories have they shared? Do they seem believable? 

## CHECK THE COVERAGE

- Has the same story been reported by other news companies you have heard of?
- Look out for clue words that tell you the story could be fake!
