

Recipe writing tips

- List your ingredients in the order that they are used in the recipe
- Make sure you list the different utensils you need too
- Keep your sentences short and use numbers or bullet points
- Try to use a range of different verbs e.g. add, mix, blend, chop
- Make sure you use the same measure for all your ingredients e.g. grams or cups
- Use lots of adjectives to describe how the dish should look at different stages
- Don't forget to include how many people the recipe serves
